SUMMARY

Results-oriented and motivated professional with strong organizational and time management skills. Actively seeking entry-level opportunities to apply and expand skills for contributing to company growth. Dedicated MERN Stack Developer proficient in MongoDB, Express.js, React, and Node.js. Known for reliability, strong work ethic, and a collaborative mindset. Proven ability in full-stack application development.

EXPERIENCE

MERN Stack Engineer Intern

Tiers Limited   June 2023 - August 2023, Lahore

· Developed a full-stack application using the MERN stack (MongoDB, Express.js, React, Node.js) during a 2-month internship, handling both front-end and back-end development, which garnered positive feedback from senior developers for its robust functionality and clean code practices.
· Contributed to various program activities by efficiently handling administrative tasks, ensuring streamlined operations.
· Spearheaded the development of enterprise-level projects, notably a Hotel Management system, resulting in a 25% improvement in operational efficiency.

Certified Teacher Assistant

UET Lahore   December 2022 - May 2023, Lahore

· Assisted in developing and executing instructional plans for a diverse classroom of 30+ students, which contributed to a 15% increase in average student test scores over the academic year.
· Streamlined attendance tracking, resulting in a 15% reduction in errors and improved overall accuracy.
· Implemented positive reinforcement strategies that contributed to a 20% increase in desirable behaviors among students.

EDUCATION

Bachelors of Computer Science

University of Engineering & Technology, Lahore · Lahore · 2025

PROJECTS

Beverli-Hills

Tiers Limited · https://the-beverli-hotel.vercel.app/ · July 2023 - August 2023
· Led the development of a full-stack hotel application, overseeing system architecture, room booking, billing, and review functionalities. Achieved a 25% improvement in operational efficiency through real-time availability tracking. Implemented secure billing systems and a user-friendly reviews platform.
